Elite Roofing Supply Announces Opening of Fourth Arizona Location

By Chris Gray

November 2, 2022

Elite Roofing Supply has opened its 26th branch in Prescott, Ariz., to serve customers in the northern communities of the state. This is Elite's fourth location in Arizona, with easy access right off SR-89 in Chino Valley and plenty of space to serve residential and commercial roofing contractors.

The branch will be led by Charles Demeter, who joined the roofing industry seven years ago after semi-retiring from his own fumigation business.

"Our customers have been asking for more support in Northern Arizona, and we know Charles is the one to deliver! He has the customer-first mentality they expect, and we are excited to have him join our team," said John O'Dell, regional vice president for Arizona.

"I'm excited to work with John and be part of a team that understands people and business," said Demeter.

The Prescott branch is located at 343 Commercial Way, Chino Valley, AZ 86323 and can be reached at 928-420-8941.

Elite recently opened its 27th branch location in Houston, Texas, which is Elite's fifth location in Texas and its second location in Houston. For more information, visit eliteroofingsupply.com.
